Candidate Information
July 2024

What is Liverpool Philharmonic?

Liverpool Philharmonic enhances and transforms lives through music.

At the heart of our work is the critically-acclaimed Royal Liverpool Philharmonic Orchestra (the UK's oldest) and Choir; an extensive programme of participatory work with young people and others across our community; and presentation of almost 400 concerts and events each year at our home, Liverpool Philharmonic Hall.

Liverpool Philharmonic is rooted in our city.

We are central to Liverpool's cultural offering, being the largest music organisation and one of the largest cultural organisations in the city, employing over 240 people. As well as our work in Liverpool our Orchestra represent the city with performances and broadcasts across the UK and around the world.

The city's young people are a central focus of our work. Our In Harmony programme provides an intensive, daily music-making programme for over 1750 children in Everton and Anfield, North Liverpool, and we run more than 5,000 workshops and events in community settings for all ages across the City. The Liverpool Philharmonic Youth Company provides a range of opportunities for music making for young people, including the Liverpool Philharmonic Youth Orchestra, Liverpool Philharmonic Youth Choir, Children's Choirs, and Rushworth Young Composers programme. We work in partnership with the Mersey Care NHS Foundation Trust delivering programmes which support people in the Liverpool city region living with a range of mental health needs.

Liverpool Philharmonic is committed to diversity and inclusion.

We work hard to reach right across our community through our learning work, and concert programme.

We attract world class artists to perform at Liverpool Philharmonic Hall and our small venue, Music Room, with a diverse programme of performances ranging from classical, contemporary, rock, pop, folk, roots, and jazz to comedy, film and spoken word. We work with many organisations and cultural partners in the City to ensure that the artists and performances we put on stage, and the audiences we attract truly represent our community.

And we are working hard to ensure that our workforce is a diverse as possible.

Liverpool Philharmonic reaches more people than any music organisation outside London.

Over 350,000 people attend Liverpool Philharmonic concerts each year.

73,000 young people participate in our Youth Company and associated ensembles, attend concerts or take part in our In Harmony programme.

Around 900,000 people in 92 countries listen to our recordings each month on Spotify, more than any UK orchestra outside London.

Over 18,000 people have benefitted from our music and mental health programme over the last 15 years.
